ILLINOIS COMMERCE COMMISSION  
TELECOMMUNICATIONS DIVISION

Dear Mr. Griffin:

Please be advised that the Logan County ETSB is in the process of annexing the customers with a San Jose phone exchange that live in Logan County. We feel that it would be best to answer their calls in Logan County, therefore eliminating the necessity of transferring the calls. This, of course, will save time during an emergency.

We have notified I.C.C. of this request. At this point we are waiting for a hearing date from them. Our hope is to be able to accomplish this cut over on or before January 7, 2002. We will be sure to advise you as soon as we have a date certain for this cut over.

It is our understanding that as your filing exists, that there will be no need for you to modify it.

Thank you for your assistance in this matter.

Very truly yours,

A handwritten signature in cursive script that reads 'Michael Patridge'.

Michael Patridge, Chairman  
Logan County ETSB
